

Dale Kunin of Wegner LLP, CPAs & Consultants Earns AICPA's Certified Information Technology Professional Credential

Wegner LLP, CPAs & Consultants is proud to announce that Dale Kunin, CPA,CITP, and Senior Manager in our Madison office is now certified as an Information Technology Professional.

The Certified Information Technology Professional (CITP) Credential distinguishes CPAs who are proficient in Information Technology (IT). This sets Ms. Kunin apart as a premier provider of IT services, and recognizes her as having the unique ability to bridge the gap between business and technology. In order to maintain this certification, Ms. Kunin must comply with the CITP program's requirements in a three-year cycle.

Wegner LLP, CPAs & Consultants is a full-service accounting and consulting firm with offices in Madison and Baraboo, WI. One of the largest accounting firms in South Central Wisconsin; we employ over 60 staff members.
